Let us give thanks today.

We must have the peanut factory. The contest is over and we are glad.

Just twenty-six more days to Christmas.

All the stores and business houses will be closed today.

Why not come to town and do your trading before the rush.

We have had an unusual warm spell of weather the past week.

Court is in session at Halifax this week. Judge R. B. Peebles is presiding.

We are giving our readers some extra reading matter this week on Thanksgiving.

The offices over the postoffice will be used by Mr. A. P. Kitchin and Dr. Thurman D. Kitchin.

Do you wish to see a peanut factory in this town? Then attend the meeting Friday afternoon.

We understand the new store room next to the postoffice will be used for a new drug store.

Mr. J. E. Perry has sold his stock of goods in East Scotland Neck and is now clerking for Edwards & Co.

Mr. N. B. Josey has purchased the small Stern house on Church street and is making some needed improvements.

We hear the cry of scarcity of dwelling houses. Several families are troubled in finding somewhere to live.

As will be seen by referring to our advertising columns right much land is posted against hunting with dog or gun.

Let us do your job printing for you. We can do it just as nice as anybody else and you will keep your money at home.

The attention of our readers is called to the advertisement in this issue of some small farms for sale at Roanoke Rapids Saturday, 29th.

We see the need almost every day of the cutting out the middle row of trees and making our Main street one broad avenue. Why not cut them out?

We are sending out cards to all our delinquent subscribers showing what amount each one is due on subscription to The Commonwealth. Friends, we need this money, will you not let us have promptly?

#### The Round Table Club.

Saturday afternoon, November 15th, the Club was delightfully entertained by Mrs. J. B. Edwards. The members present were Messrs. Albertson, Bond, Clark, Edwards, Claude Kitchin, W. H. Josey, R. C. Josey, White, and Miss Eleanor Smith, and Mrs. C. C. Christian of Urbana, Va., as guest.

After roll call and business meeting the last act of Hamlet was read and followed by a discussion of the plays of Shakespeare that had been read during the year. The next play will be "Much Ado About Nothing" and will be begun at the meeting with Mrs. Hoffman November 26. Current events were given by Mrs. Clark.

This was followed by a salad course served by the hostess assisted by Miss Emily Edwards and Mrs. R. C. Josey after which the Club adjourned.

#### The Coming Show.

"Paid In Full," the most successful of all plays, will be presented at Madry's Opera House for one night only Dec. 2nd. Paid In Full is from the pen of Eugene Walters and is considered by all who are competent to judge, as the best play ever written by an American playwright. It has the distinction of making the longest run of any play ever presented in New York, being played for over two years at the Astor Theatre on Broadway, winter and summer, without the loss of a night; over one year in Chicago. Over six million playgoers have laughed and cried at Jimsey and Emma, have despised Capt. Williams and felt sorry for Joe Brooks. Every intelligent playgoer or magazine reader knows the worth of "Paid In Full," and in the hands of this clever company, headed by Eiley O'Connor, a performance worth while is guaranteed. Prices for this engagement will be \$1.00, 75c, children 50c. Seats are now on sale at J. W. Allsbrook's. Curtain will rise promptly at 8:30 and carriages and autos may be ordered for 10:50.

### AFTER COUGHING TWO YEARS

#### Waycross, Ga., Woman Found Relief in Vinol.

Did you ever cough for a week? Then just think how distressing it must be to have a cough hang on for two years.

Mrs. D. A. McGee, Waycross, Ga., says: "I had a very heavy cold which settled into a chronic cough which kept me awake nights for fully two years, and felt tired all the time. The effect of taking your cod liver and iron remedy, Vinol, is that my cough is gone. I can now get a good night's rest and I feel much stronger in every way. I am 74 years old."

It is the combined action of the medicinal elements of the cod's livers aided by the blood-making and strength-creating properties of tonic iron which makes Vinol so efficient for chronic coughs, colds and bronchitis—at the same time building up the weakened, run-down system.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you. P. S.—If you have any skin trouble try Sazo Salve. We guarantee it.
